

UK Manufactured Woven Ties

How to place an Order

1. Send a logo, a colour scheme and if possible a design brief. You will then receive a selection of designs for approval.
2. From approval of the artwork, a swatch of fabric is woven to show the actual yarn colours, detail achieved, and textures of the fabric.
3. On approval of the woven sample, your goods will be dispatched in 2-3 weeks by courier on a next working day service.

Colour Options

All of our ties are woven to order, using our stock range of colours. We have a choice in excess of 200 yarns, so matching your desired colour will not be a problem.

Care Instructions

All of our ties are supplied with a dry clean only label.

Available in Polyester, Silk Faced Polyester and 100% Silk.
